ABOUT ME

Aca (21) is a curious individual who constantly seeks opportunities to expand her comfort zone and develop her skills. She is willing to accept challenging projects and work hard to exceed her personal goals.

FORMAL EDUCATION

Universitas Indonesia
Information Systems
GPA 3.48/4.00

Depok, Indonesia
Jul 2022 – Present

PROFESSIONAL EXPERIENCES

Staffinc Group

Jakarta, Indonesia

IT Project Manager Intern @ Staffinc Suite

May 2025 – Present

- Led a website revamp analysis by conducting User Journey Mapping, Information Architecture planning, and designing wireframes in Figma, to prioritize high-impact features.
- Conducted benchmarking research across 20 competitors, combining qualitative insights and quantitative data to inform product direction.
- Explored potential new features for our core product (SaaS) by reviewing vendor API documentation, ensuring technical feasibility, business value, and user alignment.
- Mapped and refined the business process flowchart, improving product efficiency and cross-functional clarity.

Faculty of Computer Science Universitas Indonesia

Depok, Indonesia

Teaching Assistant of IT Project Management

Feb 2025 – Jun 2025

- Supported classroom activities, tutoring, and reviewing work.
- Helped with grading assignments and tests, providing constructive feedback to students based on results.
- Partnered with the lecturer in charge to plan and implement lessons following the university's curriculum, goals, and objectives.

ORGANIZATIONAL EXPERIENCES

180 Degrees Consulting Universitas Indonesia 2025

Depok, Indonesia

Client Engagement Analyst

Mar 2025 – Present

- Built and maintained long-term relationships with clients, contributed to project scoping, and supported follow-up engagement design.
- Participated in Learning & Development workshops on consulting fundamentals, covering topics such as problem-solving frameworks, market sizing, financial modeling, and slide deck design.
- Awarded “Most Dedicated Member” – First Half 2025 for outstanding commitment and continuous growth.

Riset dan Teknologi (RISTEK) Fakultas Ilmu Komputer Universitas Indonesia 2025

Depok, Indonesia

Executive Director of Operations

Feb 2025 – Present

- Oversaw the planning and execution of RISTEK’s flagship annual programs (SISTECH, DATATHON, and PEKAN RISTEK), ensuring each event had a clear strategic direction and impactful outcomes.

Pembinaan Mahasiswa Baru Fakultas Ilmu Komputer Universitas Indonesia 2024

Depok, Indonesia

Ketua Pelaksana

Jul 2024 – Nov 2024

- Oversaw and coordinated a major offline orientation program for first-year students, including Welcome to Fasilkom, PSAF, PKOF, Sabtu Ceria, and Momen Keakraban, involving over 700 participants from various faculty elements.
- Led cross-functional collaboration across divisions, ensuring smooth execution and impactful student engagement throughout the 5-month event cycle.

- Directed an offline annual event, which consisted of Tour de Campus, Interactive Class, and Fun Coding, involving more than 222 people from two cohorts, reaching 750+ high school students across Jabodetabek.
- Successfully managed a nationwide webinar involving Microsoft's Azure Technology Specialist to talk about Artificial Intelligence. Attended by over 800 participants from all over Indonesia.

PROJECTS

Sistem Informasi PT Salaka Pranata Adicara (SiSPA)

Feb - June 2025

- Developed a web-based information system for PT Salaka Pranata Adicara (PT SPA) to streamline and optimize core enterprise operations using Spring Boot and Vue.js.
- Served as Lead System Designer, creating the main brand guideline and designing system-wide wireframes to ensure consistency and usability.
- Can be accessed through this link: <http://82.25.108.76/>

Marmut

Apr - May 2024

- Involved in making an online playlist management system by implementing the concepts of Relational Data Model, Relational DB Constraints, and advanced database functionalities, including Triggers and Stored Procedures.
- Utilized Django Framework and PostgreSQL (using Supabase) for a robust database application.
- Can be accessed through this link: <https://github.com/acasalaka/Marmut.git>

PathFinder

Feb - Jun 2024

- Conducted user research through interviews and surveys to gather insights later used to shape the app's features and design.
- Assisted in designing wireframes and prototypes using Figma, and conducted Usability Testing to assess user-friendliness and functionality.
- Can be accessed through this link: <ristek.link/PortofolioPathFinder>

VOLUNTEER EXPERIENCES

Jakarta International Java Jazz Festival

Jakarta, Indonesia

Volunteered as Liaison Officer for International Artist

May 2025

- Served as the translator and interpreter for Jose Miguel during the event.
- Coordinated activities between the assigned foreign artists and the event organizer in the days before, during, and after the event.

ACTIVITIES

TF LEARN Scholarship ASEAN Summer @ NTU Program

Singapore and Hanoi, Vietnam

Scholarship Awardee

Jun 2024 – Jul 2024

- Selected as one of two delegates from Universitas Indonesia to join the ASEAN Summer Program at Nanyang Technological University, alongside students from across Southeast Asia.
- Participated in intensive courses and workshops on Entrepreneurship, Intercultural Competence, and Design & Systems Thinking, collaborating on cross-cultural projects and startup case studies.
